## ERASABOARD™ MARKERBOARD

### EASILY MAKE YOUR MARK.

- Finish the look with a molding of your choice.
- Multiple uses: Kids play areas, garage, home office and more.
- For use with standard dry erase markers.
- Durable acrylic coating resists staining, fading and mildew.
- Easy installation with ordinary tools.

Single Panel Size 32" x 48".

Manufactured on 1/8" Signature S2S™  
Hardboard for maximum strength  
and durability.

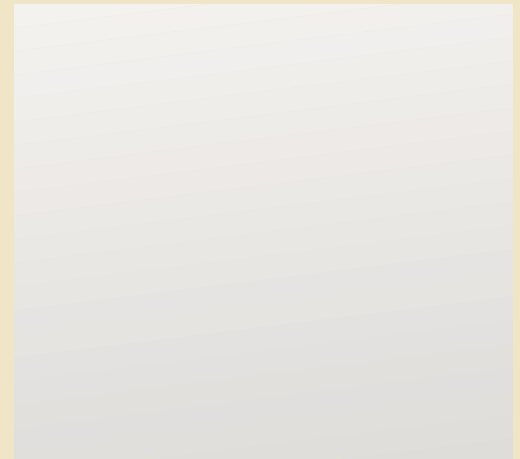

## EASILY MAKE YOUR MARK.

ErasaBoard Markerboard by DPI is the perfect solution for when you need to make your mark, again and again. Let the kids express their artistic talent, make notes in your office, or jot down a note to the kids. For use with standard dry erase markers.

## PRODUCTS MADE WITH THE FUTURE IN MIND.

As an ENERGY STAR® Partner, we are committed to providing high performance products that meet the needs of our customers, while promoting and encouraging the use of new technologies, processes and systems that lessen the impact on the environment.
